Arbor Parent App – Home Learning

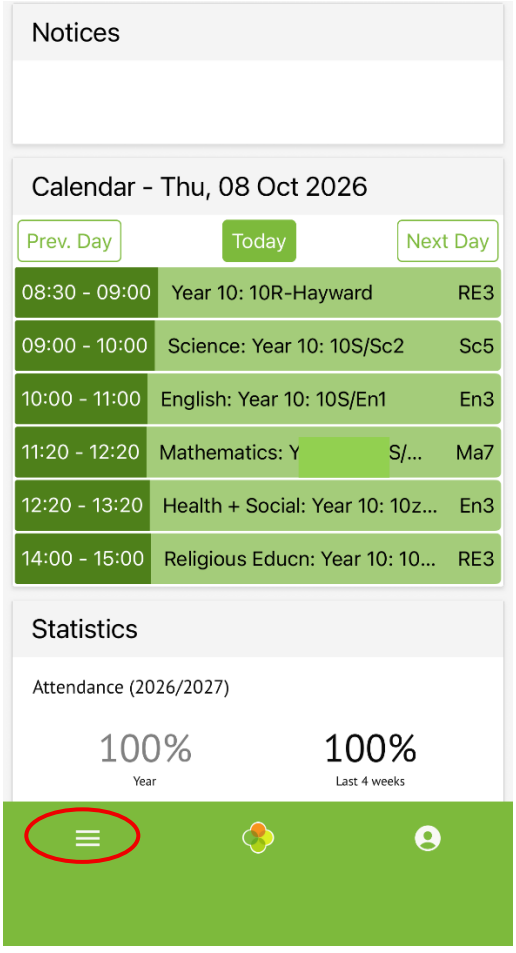

Welcome to our guide to using Arbor to view your child's behaviour and home learning information.

This guide will show you how to access and understand **Home Learning Behaviour Points**, including how these points may contribute to a **detention** being issued.

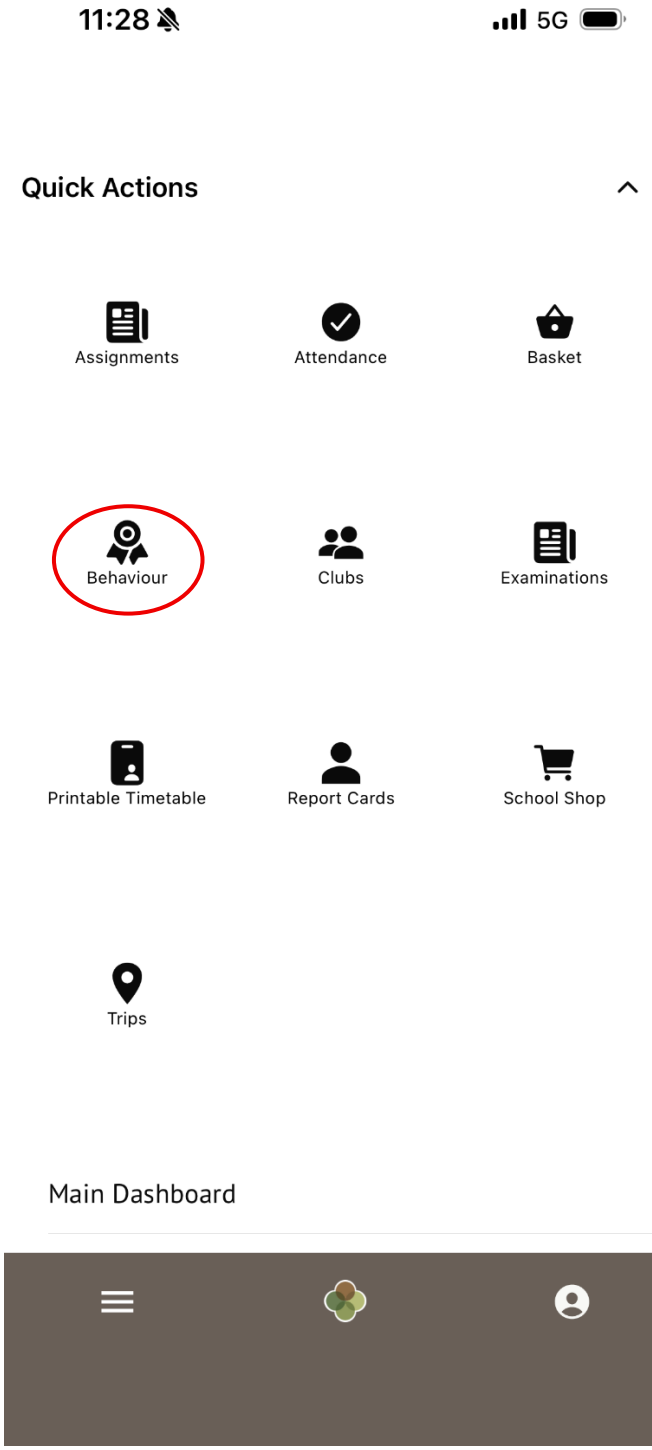

The aim of this guide is to make it easy for you to see the information recorded on Arbor and understand what it means. By regularly checking your child's behaviour points, you can stay informed about their home learning and any concerns that may need your attention.

Below is a simple, step-by-step guide to finding this information on Arbor, with screenshots and clear instructions to help you along the way.

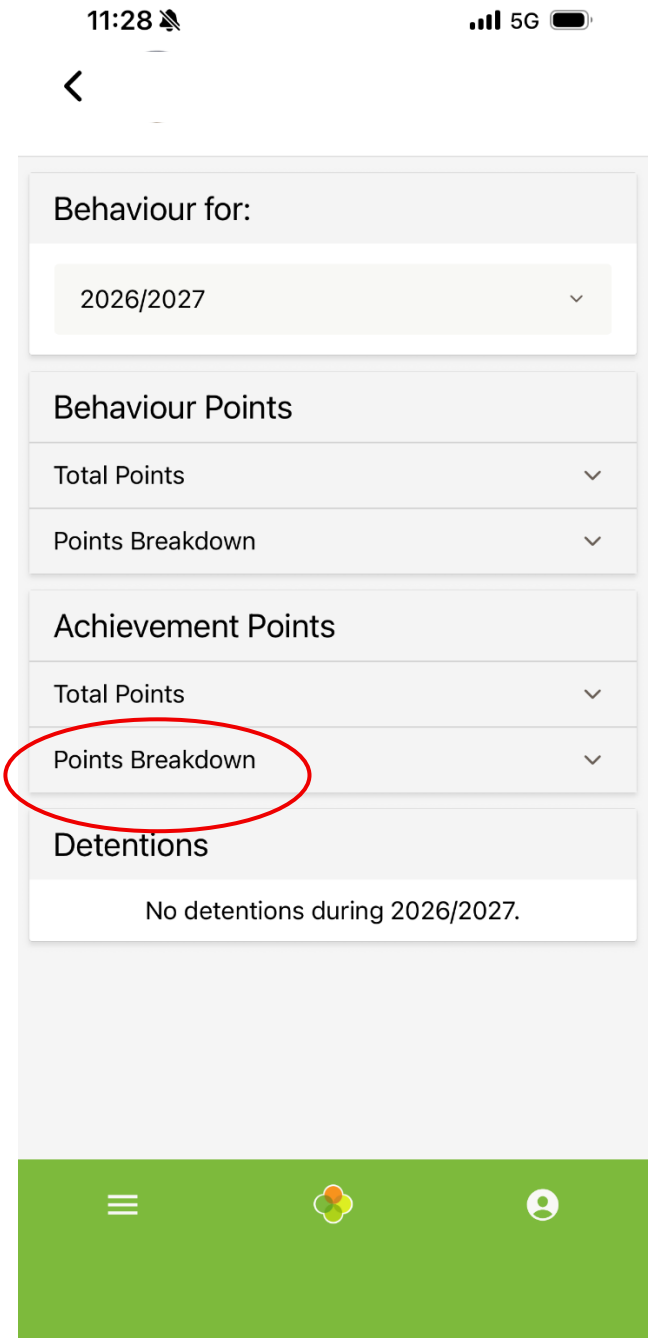

Step 1- Select the 3 lines in the bottom left of the screen

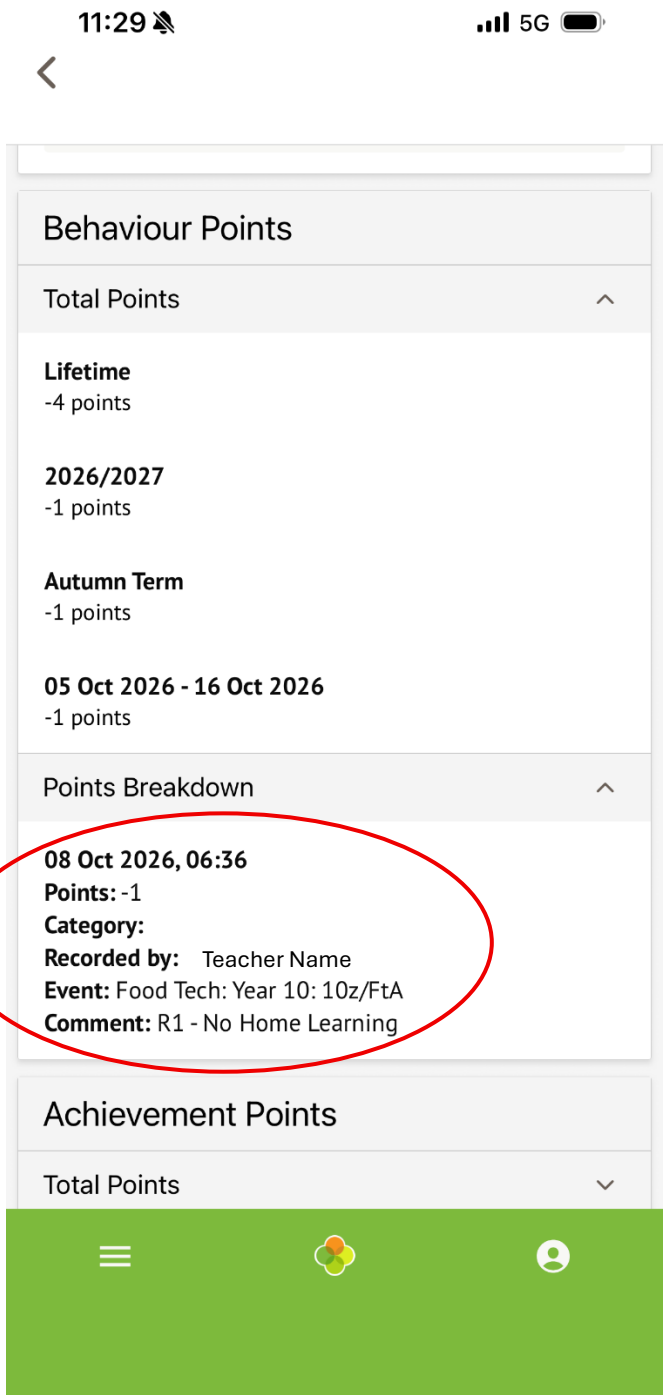

Step 2- Select Behaviour

Step 3 Select Points Breakdown

Step 4- Here you will be able to see the points logged, the reason, the subject and the teacher who has recorded it

Step 6 If you click on Detentions you will be able to see any detentions issued and the reason for the detention
